

# Hunter Dance Center Recital 2022

## Dress Rehearsal & Performance Schedule

### How to use this schedule:

Your child's class(es) will be listed twice – once for a dress/tech rehearsal and once for a performance. Find each of your child's class(es) in **both** the dress rehearsal and the recital performance schedules. Rehearsals may run a little ahead or behind schedule. *The beginning time listed for each class's twenty minute rehearsal is when dancers should be completely dressed in costume, warmed up, and ready for rehearsal.* **For the dress rehearsals, dancers should arrive 20 minutes before** the twenty minute slot for your class, dressed and ready to perform. **For the performances, dancers should arrive 20 minutes early,** dressed and ready to perform. For dress rehearsals, dancers should come to the lobby of Matchbox 4, **NOT THE STAGE DOOR.** For performances, dancers should come to the stage door of MATCH on Francis St. Please refer to "**Recital Information**" document for maps, directions, and more information.
