

Spring Recital Youth Session March 18- June 2, 2024

This session is for students who will be participating in the Spring Recital, as a significant portion of class time will be spent on learning choreography and preparing for the performance! Students will be building, learning, and cleaning their recital dances all session long. To facilitate this rehearsal process, there will be no make-up classes or trial classes this session. At this time, we are not taking any new enrollments unless given teacher approval.

****Students should re-enroll in their same classes from the Winter 2024 Session.****
