

# Hunter Dance Center Recital 2024

## Dress Rehearsal & Performance Schedule

### How to use this schedule:

Your child's class(es) will be listed twice – once for a dress/tech rehearsal and once for a performance. Find each of your child's class(es) in **both** the dress rehearsal and the recital performance schedules. Rehearsals may run a little ahead or behind schedule. *The beginning time listed for each class's fifteen minute dress rehearsal is when dancers should be completely dressed in costume, warmed up, and ready for rehearsal.* **For the dress rehearsals, dancers should arrive 20 minutes before** the time slot for your class, dressed and ready to perform. **For the Saturday performances, dancers should arrive 30 minutes early,** dressed and ready to perform. For dress rehearsals, dancers should come to the lobby of **Matchbox 4, NOT THE STAGE DOOR.** For performances, dancers (except primary level performance dancers - see note below) should come to the stage door of MATCH on Francis St. Please refer to "**Recital Information**" document for maps, directions, and more information.

**(Note: Sunday Primary Level Performance Dancers come in with their grown-ups through the theater lobby for performances, just like in dress rehearsal.)**
